Range of health and wellness  
supplements inspired by nature and  
backed by science

# Welcome to *Well*Root

## *Nourishing Lives, Naturally*

At WellRoot Nutra, we believe good health is not a luxury - it's a daily right. Guided by the timeless wisdom of Ayurveda and backed by modern nutritional science, our mission is simple: to bring clean, effective wellness solutions into every home.

Our diverse range of 40+ health-focused products - from immunity boosters and proteins to kids' nutrition and functional juices - is designed to support the full spectrum of your health journey.

We proudly serve individuals, families, and communities who seek holistic health and honest care. With every Tablet, drop, and scoop, we deliver more than nutrition - we deliver trust, purity, and transformation.

Welcome to a healthier you. Welcome to the world  
WellRoot Nutra.

Well Root is the  
brand from  
the house of

**Asclepius**<sup>®</sup>

WellRoot Nutra is founded on the principle that true wellness comes from harmony - between tradition and innovation, body and mind, nature and science.

## Rooted in Nature Proven by Science

### Inspired by Ayurveda

Draws from ancient Indian health systems that emphasize natural healing, balance between body and mind, and preventive care through herbs, nutrition, and lifestyle.

### Scientifically Formulated

Created through research-driven methods that ensure accuracy, safety, and efficacy by combining traditional knowledge with modern testing, validation, and quality control standards.

### Free from Harmful Additives

Contains no artificial chemicals, preservatives, toxins, or unnecessary fillers that may negatively affect health, ensuring purity, safety, and clean consumption.

### Safe for All Age Groups

Gentle and balanced in composition, suitable for children, adults, and seniors alike, without harsh effects or age-restricted concerns.

### Driven by Values

Built on principles of honesty, sustainability, inclusivity, and responsibility—ensuring ethical practices from sourcing to delivery with care for people and the planet.

# Nutrition for Life

## Your Daily Wellness Companion

---

Health isn't just about treating illness — it's about preventing it. At WellRoot Nutra, we believe in nourishing the body before symptoms appear, empowering every individual to live with strength, balance, and vitality.

Whether it's supporting a child's growth, strengthening immunity in working adults, or helping elders age actively — our formulations are designed for every stage of life. From plant-based proteins to Ayurvedic extracts, every product reflects our commitment to preventive, proactive wellness.

Because when health is rooted in nature, it flourishes for life.

*WellRoot*

# Wellness for Every Generation

Healthy Families. Stronger Futures.

Imagine a home where energy is abundant, focus is sharper, digestion is smooth, and sleep comes easy — this is the life we work toward at WellRoot. Our range supports mothers, fathers, children, athletes, and seniors with science-backed nutrition that adapts to real-world needs. But we're building more than just healthier bodies. We're building a movement.

Through our CNF network, we empower individuals across India to become wellness ambassadors — earning income while spreading better health to their communities.

**At WellRoot, we  
don't just sell  
products – we  
support purpose**

**Join the mission  
Share the wellness  
Live the difference**

# From Soil to Solution

## How Your WellRoot Nutra Product Comes to Life

At WellRoot, we combine the purity of traditional farming with precision-driven science. Every Tablet, powder, and drop is crafted through a journey of care - from nature to your hands - backed by global quality benchmarks and uncompromising standards.

We're redefining health with integrity – by investing in clean sourcing, transparent production, and expert-backed formulations that you can trust every day.

- *WellRoot Quality & Innovation Team*

Our farmers sow the herbs

We cultivate, dry, and extract with care

Our labs validate every batch for purity

We pack it under stringent quality protocols

You receive it fresh, potent and safe

Our dedicated R&D and Manufacturing Hub in Jaipur spans over **70,000 sq. ft.** with facilities adhering to ISO, GMP and FSSAI certifications. Every batch goes through multi-layered quality checks, ensuring clean-label nutrition that's both potent and pure

## Ingredients with Purpose

We work only with responsible farmers and trusted botanical sources to harvest herbs like Giloy, Ashwagandha, Noni, and Curcumin at peak potency. Our ingredient sourcing ensures traceability from the field to the factory.

---

## Made with Precision

Our expert formulators, nutrition scientists, and Ayurvedic consultants ensure that each product meets modern scientific standards and traditional Ayurvedic balance. No shortcuts. No compromises.

---

## Delivered with Integrity

We use temperature-controlled storage and real-time quality checks during packaging and distribution to preserve the product's effectiveness - ensuring what you get is exactly what was intended.

*WellRoot*

# Immunity Booster

Immunity is your body's first line of defense against viruses, bacteria, and environmental stressors. It is influenced by many factors — including diet, sleep, exercise, and stress levels. A strong immune system helps your body identify threats early and respond efficiently.

To support immunity, focus on micronutrients like Vitamin C, Zinc, Iron, and adaptogenic herbs like Giloy, Ashwagandha, and Tulsi. Regular intake of immunity-supporting foods and supplements may reduce the severity and frequency of illness.

## What should I consume?

Look for foods rich in antioxidants and bioactive herbs: Amla, turmeric, garlic, ginger, neem, and tulsi. Supplements containing giloy, curcumin, and ashwagandha are ideal for daily immune defense.

### Products covered :

EXE Giloy Tablet | EXE Giloy Juice | EXE Ashwagandha KSM-66®  
EXE Immunity Drop | EXE NoniDOC Juice | CURCIDOC Tablet |  
CURCIDOC Drop

## WellRoot EXE Giloy Tablet

*Nature's shield for stronger immunity*

A daily-use Ayurvedic supplement containing a powerful blend of Giloy extract and powder, designed to support holistic wellness and immune strength.

Features a dual-action formula—Giloy extract for fast absorption and Giloy powder for sustained benefits, providing potent, long-term immunity in one convenient capsule.

- Enhances immune response and natural defense
- Promotes liver detoxification and cellular protection
- Reduces fatigue and builds long-term resilience
- Acts as a natural rejuvenator (Rasayana) in Ayurveda

## WellRoot EXE Giloy Juice

*Liquid immunity boost from nature's pharmacy*

A refreshing, herbal immunity tonic combining Giloy, Neem, and Tulsi to help your body stay clean, resilient, and energized every day.

Triple Herb Synergy — A balanced liquid blend of Giloy, Neem & Tulsi, offering enhanced immune defense, gentle detox, and daily wellness in every dose.

- Giloy: Enhances immunity and metabolic function
- Neem: Purifies blood and supports skin & liver health
- Tulsi: Strengthens lungs and fights respiratory infections
- Together, they cleanse, protect, and rejuvenate the body naturally

## WellRoot EXE Ashwagandha KSM-66®

*Balance stress, boost strength*

A high-potency, full-spectrum Ashwagandha root extract designed to fight stress, improve endurance and promote holistic wellness in daily life.

- Reduces cortisol and supports emotional resilience
- Boosts energy levels, stamina, and physical endurance
- Enhances focus, cognitive performance, and sleep quality
- Strengthens immunity and overall vitality

Powered by KSM-66®, the most researched Ashwagandha extract—offering stress-adaptive immunity and total mind-body balance for the modern lifestyle.

## WellRoot EXE Immunity Drop

*Holistic wellness in every dose*

A liquid immunity enhancer packed with over 25 time-tested herbs, delivering broad-spectrum defense in a fast-absorbing, pill-free format.

- Strengthens natural immune response and white blood cell activity
- Helps fight common infections and seasonal illnesses
- Supports lung health and protects against environmental stressors
- Ideal for daily use by kids, adults, and seniors alike

Features a 25+ Herb Concentrate, offering unmatched herbal diversity in every drop—perfect for those who prefer liquid immunity support over capsules or tablets.

## WellRoot EXE NoniDOC Juice

*Antioxidant-rich vitality in every sip*

A revitalizing herbal fruit tonic made with Noni extract and 15+ Ayurvedic herbs that recharge your system and promote everyday wellness from the inside out.

Delivers cellular nourishment through a synergistic blend of Noni + botanicals—boosting gut health, energy and immune response in a natural, fruit-forward formula.

- Enhances digestion and supports nutrient assimilation
- Helps reduce bloating, fatigue, and oxidative stress
- Supports gut health and metabolic regulation
- Promotes vitality, stamina, and immune function

## WellRoot CurciDOC Tablet

*Curcumin power for natural healing*

A scientifically formulated supplement combining Curcumin C3 Complex® (standardized turmeric extract) with BioPerine® (black pepper extract) to ensure maximum bioavailability and systemic healing.

Features C3 Complex® + BioPerine®, a gold-standard pairing clinically proven to deliver deep anti-inflammatory support, detoxification and immune enhancement.

- Reduces inflammation & oxidative stress
- Supports joint, liver, heart, and immune function
- Protects cellular health

## WellRoot CurciDOC Drop

*Liquid curcumin care for body defense*

A bioavailable liquid blend of Curcugold® and BioPerine®, designed for fast absorption and enhanced efficacy—delivering deep internal defense in a drop-based format.

- Promotes joint & liver health
- Boosts immune response and cardiovascular wellness
- Ideal for those with poor absorption or pill fatigue

Liquid Anti-inflammatory Shield – Combines Curcugold® with BioPerine® for rapid absorption and powerful cellular protection—perfect for those seeking quick effects or gentle-on-stomach alternatives to capsules.

## WellRoot Neem Extract

*Cleanse from within, defend daily*

A pure, concentrated 500 mg Neem extract capsule crafted to promote digestive health, skin clarity, and whole-body detoxification—naturally and effectively.

- Supports healthy digestion and gut microbiome balance
- Promotes clearer skin by reducing microbial overload
- Helps purify blood & detox the system
- Strengthens immune defense and metabolic health

A Broad-Spectrum Botanical Cleanser, Neem Extract delivers dual benefits for gut and skin health—making it a daily essential for those seeking holistic cleansing and microbial balance.

# Vitamins & Minerals

Vitamins and minerals are essential for nearly every function in your body — from converting food into energy, to healing wounds and maintaining bone health. They are called "micronutrients" because your body needs them in small amounts, yet their impact is significant.

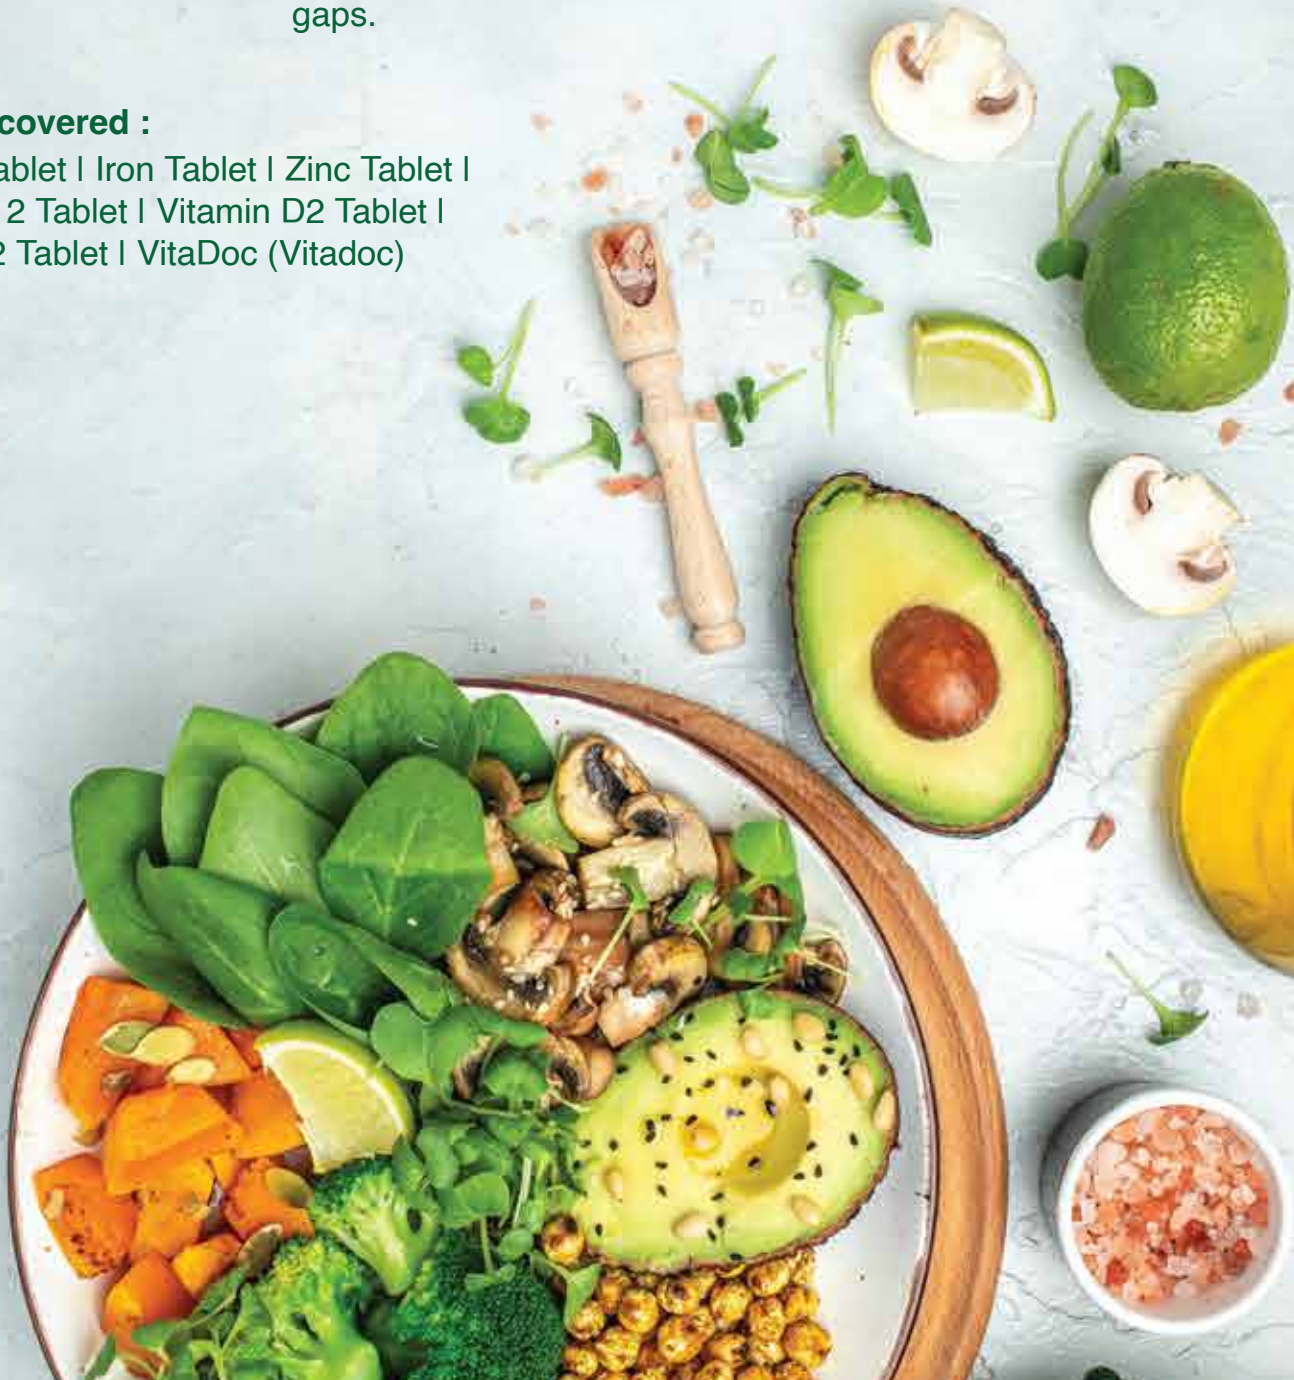

Deficiencies can lead to fatigue, weak bones, poor immunity, and more. Since many nutrients are not made in the body, they must come from food or supplementation.

## What should I consume?

Aim for a mix of fruits, vegetables, seeds, dairy, and lean meats. Multivitamin supplements with Vitamin D, B12, Iron, Zinc, and Calcium can help meet daily gaps.

### Products covered :

Calcium Tablet | Iron Tablet | Zinc Tablet |  
Vitamin B12 Tablet | Vitamin D2 Tablet |  
Vitamin K2 Tablet | VitaDoc (Vitadoc)

## WellRoot Calcium Tablet

*Stronger bones, everyday strength*

A daily dose of bone-deep nourishment designed to strengthen your skeletal system, support mobility, and fuel active living.

Balanced dose of Calcium + Vitamin D2 to enhance absorption and prevent bone thinning, without overloading the body.

- Boosts immunity & resistance to seasonal illness
- Supports liver detox & cellular defense
- Reduces fatigue and improves vitality

## WellRoot Iron Tablet

*Iron out fatigue, energize your day*

An essential supplement containing Ferrous Fumarate, providing 100% RDA of elemental iron to combat fatigue and support daily energy and blood health.

High-absorption iron source with Ferrous Fumarate, ideal for restoring energy levels and hemoglobin without gastric discomfort.

- Detoxifies and improves digestion
- Ideal for daily cleansing
- Strengthens respiratory & immune health

## WellRoot Zinc Tablet

*Zinc up your defense system*

An essential supplement containing Ferrous Fumarate, providing 100% RDA of elemental iron to combat fatigue and support daily energy and blood health.

Comprehensive blend of 25+ micronutrients plus antioxidants for full-spectrum vitality—a convenient, everyday wellness solution for modern lifestyles.

- Essential trace mineral that supports a strong immune system
- Promotes wound healing, skin repair, and cell regeneration
- Aids in hormonal balance, taste perception, and enzyme function
- Crucial for maintaining gut lining and antioxidant defense

## WellRoot VitaDoc Tablet

*Your daily dose of essential vitality*

Packed with 25+ essential vitamins and minerals, VitaDoc supports energy, immunity, metabolism, and recovery—ideal for daily active living.

Comprehensive blend of 25+ micronutrients plus antioxidants for full-spectrum vitality—a convenient, everyday wellness solution for modern lifestyles.

- Boosts immunity, energy metabolism, and overall vitality
- Supports cognitive health, skin, bones, and muscle function
- Important for those with stress, fatigue, or nutrient-deficient diets

## WellRoot Vitamin B12 Tablet

*Recharge nerves, sharpen focus*

A daily boost of pure Vitamin B12, formulated to support blood health, energy metabolism, and nervous system performance.

Delivers 100% RDA of Vitamin B12 for clean energy, nerve clarity, and red blood cell support — especially suited for B12-deficient diets.

- Essential for red blood cell formation and nerve health
- Helps convert food into energy and supports mental focus
- Crucial for DNA synthesis and bone marrow function
- Especially important for vegetarians, elders, and pregnant women

## WellRoot Vitamin D2 Tablet

*Sunshine support for bones & mood*

Daily sunshine in a tablet—helps maintain bone strength, calcium absorption, and natural immunity through precise Vitamin D2 supplementation.

Delivers 100% RDA of Vitamin D2 — essential for calcium absorption and bone-immune synergy, especially in vegetarian-friendly form.

- Helps the body absorb calcium and phosphorus for strong bones
- Supports immune system regulation and inflammation control
- Vital for muscle function, mood balance, and joint strength
- Especially important for those with low sunlight exposure

# WellRoot Vitamin K2 Tablet

*Bone density's natural ally*

Daily sunshine in a tablet—helps maintain bone strength, calcium absorption, and natural immunity through precise Vitamin D2 supplementation.

Smart Calcium Routing — ensures calcium reaches bones, not arteries, reducing risk of hardening while improving bone strength.

- Directs calcium to bones and away from arteries
- Supports healthy bone mineralization and structure
- Aids in preventing arterial calcification and stiffness

# Heart & Wellness

Your heart is more than a muscle — it's your body's engine. A healthy heart supports circulation, energy levels, and overall vitality. Diet, stress, cholesterol, and inflammation can all affect cardiovascular health.

Supplements with omega-3s, arjuna bark, and coenzyme Q10 can support heart rhythm, lower cholesterol, and manage blood pressure.

## What should I consume?

Include heart-healthy fats (like flaxseed, walnuts, fish), antioxidants, fiber and herbs like arjun, garlic, and green tea.

### Products covered :

Arjun Extract | Cow-C-Doc Tablet | SteviaDoc Drop | MoriDoc (energy + cardiac health blend)

## WellRoot Arjun Extract Tablet

*Ayurvedic heart protector*

Formulated with 450 mg of pure Arjuna bark extract, this Tablet supports cardiovascular strength, heart rhythm, and overall circulatory wellness.

Pure Arjuna extract, standardized for potency—ideal for natural blood pressure and cholesterol balance.

- Renowned Ayurvedic herb for cardiac strength and vitality
- Supports heart muscle tone and healthy blood pressure
- Aids cholesterol balance and circulation
- Acts as a natural antioxidant and stress reliever

## WellRoot Cow C Doc Tablet

*Colostrum-powered cardiac care*

Powered with 500 mg of bovine colostrum, this Tablet boosts immune response, supports recovery and enhances gut health.

High-purity colostrum rich in immune proteins and growth factors—nature's original immunity shield.

- First milk of the cow, rich in antibodies (IgG), growth factors, and immune proteins
- Supports gut lining integrity and immune modulation
- Aids in cellular repair, nutrient absorption, and anti-aging

# WellRoot OmegaDoc Tablet

*Essential fats. Exceptional health*

Plant-sourced Omega-3 formula using flaxseed oil to promote cardiovascular and metabolic well-being without fishy aftertaste.

1000 mg flaxseed oil with ALA—vegan Omega-3 support for clean, holistic heart health.

- Healthy fats that reduce inflammation and support heart function
- Helps manage triglycerides, cholesterol, and blood pressure
- Supports brain function and eye health
- Improves joint flexibility and metabolic health

# WellRoot SteviaDoc Drop

*Sweetness redefined, naturally*

A clean, natural sugar substitute to help you manage glucose and calorie intake—perfect for everyday beverages and recipes.

Naturally sweet, zero-calorie drop that replaces sugar without the health risks—ideal for holistic sugar control.

- A natural, zero-calorie sweetener derived from the Stevia plant
- Does not spike blood sugar or insulin levels
- Suitable for diabetic and weight-conscious individuals
- 200–300x sweeter than sugar without harmful side effects

# Brain & Cognitive Support

Cognitive health includes memory, concentration, emotional balance, and mental clarity. The brain requires a steady supply of oxygen, nutrients, and neurotransmitter support to function optimally.

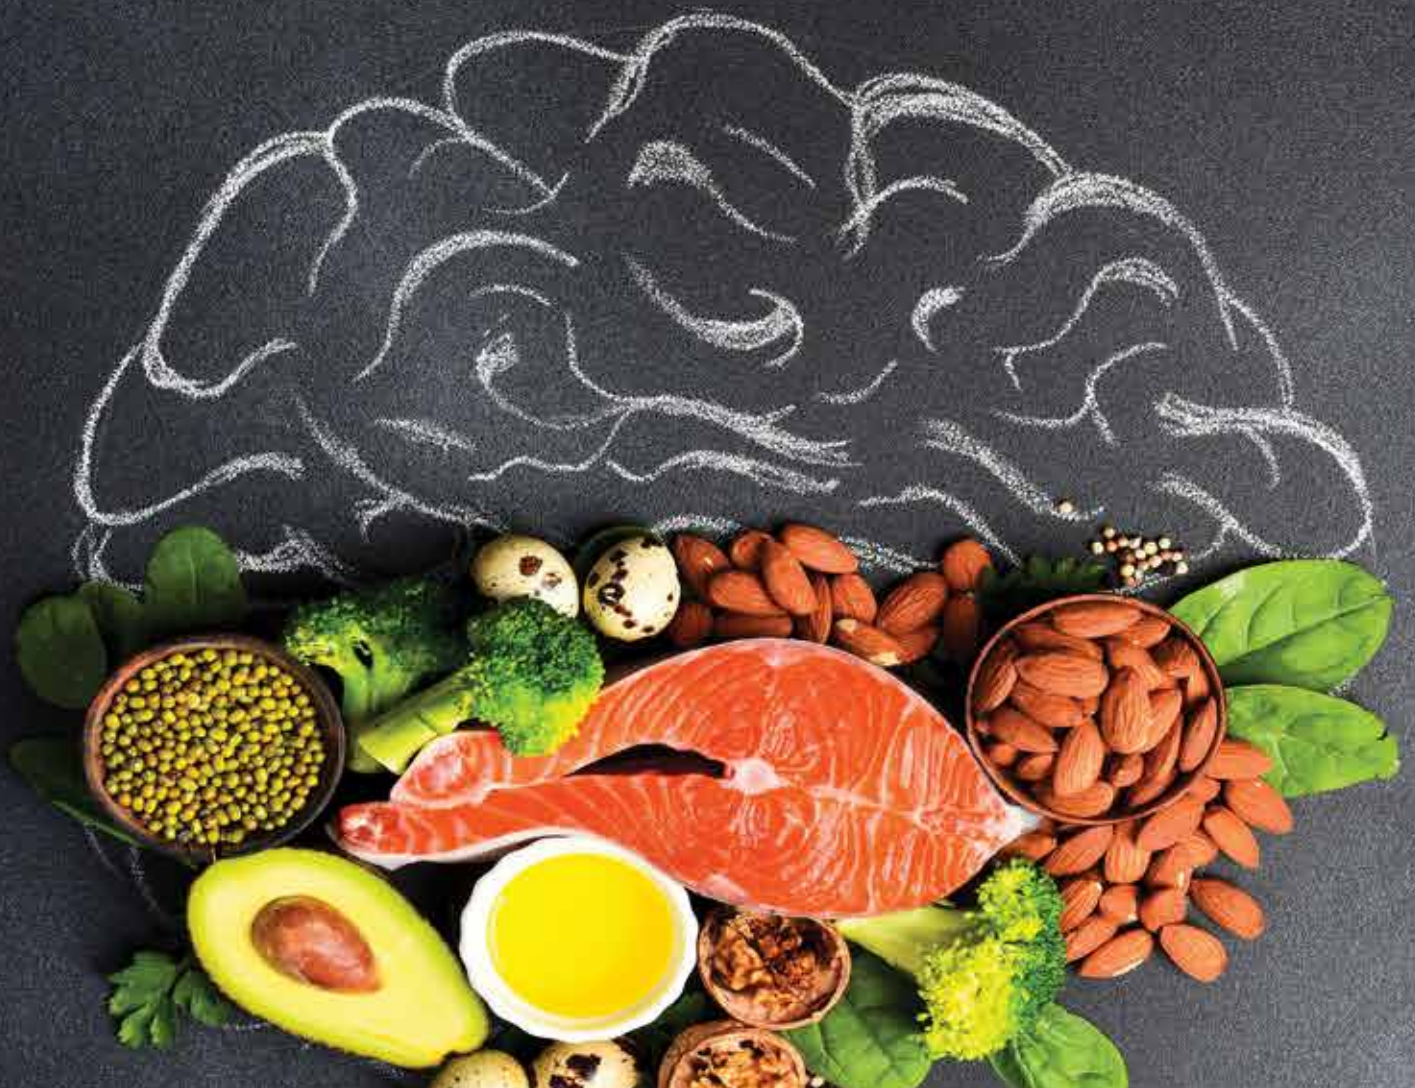

Stress, lack of sleep, and poor nutrition can cause brain fog and fatigue. Adaptogens and nootropic herbs can help.

## What should I consume?

Support brain function with herbs like Brahmi, Ginseng, Ashwagandha, along with omega-3s, choline, and Vitamin B complex.

### Products covered :

Brahmi Extract | Ginseng Tablet

## WellRoot Brahmi Extract Tablet

*Clarity, calm, and cognitive strength*

Clinically known for its nootropic properties, Brahmi helps improve memory recall, focus, and cognitive processing—ideal for students and professionals.

- An Ayurvedic herb known for enhancing memory, focus, and mental clarity
- Supports neural regeneration and stress adaptation
- Acts as a mild anxiolytic and brain tonic

Ayurvedic nootropic with calming properties—improves brain performance without overstimulation.

## WellRoot Ginseng Tablet

*Energy + focus in every tablet*

Crafted with high-potency Panax Ginseng, this tablet supports neural performance, stress recovery, and long-term brain wellness.

- A traditional adaptogen known to enhance energy, focus & mental endurance
- Supports brain function, reaction time & stress resistance
- Boosts mental alertness without jittery side effects

Natural cognitive booster—sharpens mental clarity while calming the nervous system.

# Joint & Bone Health

Bones and joints form the framework of your body — and they require constant renewal. Age, poor calcium intake, and inflammation can affect mobility, strength, and flexibility.

Nutrients like Calcium, Vitamin D3, Magnesium and Collagen help maintain healthy bones and joint fluidity.

## What should I consume?

Incorporate dairy, sesame seeds, leafy greens, and bone-support supplements with calcium, curcumin, and glucosamine.

### Products covered :

Daylift Tablet | Massdoc Powder

# WellRoot DayLift Tablet

*Lift your joints, live your day*

A daily wellness companion that energizes, protects, and restores—DayLift helps power you through everyday demands, naturally.

A full-spectrum wellness tablet that fuels your body with balanced micronutrients—formulated for daily uplift without overstimulation.

- Blended with 25+ essential vitamins and minerals for daily energy, immune function, and metabolic support
- Includes B-complex, Vitamin C, D2, Iron, Zinc, Magnesium, and more for all-round vitality
- Perfect for combating daily fatigue, stress, and dietary gaps

# Weight & Metabolism

Metabolism is your body's engine that burns calories to fuel everything you do. A balanced metabolism helps with energy, digestion, and weight control.

Protein, fiber, and thermogenic herbs can support healthy metabolism and satiety, reducing the need for crash diets.

## What should I consume?

Focus on plant proteins, fiber-rich foods, spirulina, green tea, and controlled portions. Metabolic supplements with fenugreek, garcinia, and triphala can support fat metabolism.

### Products covered :

FitDoc Powder | SlimDoc Powder | SpiraDoc Tablet | DigiDoc Powder

# WellRoot SlimDoc Powder

*Slim smart, the natural way*

A delicious, protein-rich meal replacement or supplement powered with vitamins, minerals, and metabolic enhancers to fuel fat metabolism and keep you feeling fuller, longer.

A low-fat, high-nutrition alternative to crash diets—delivers complete nourishment while helping burn fat and build strength.

- SlimDoc Powder is a carefully formulated nutritional blend designed to support weight management, boost metabolism, and preserve lean muscle mass—ideal for those seeking a healthier body composition without harsh diets.

## WellRoot FitDoc Powder

*Fit fuel for your daily goals*

A daily herbal supplement formulated to support cardiovascular function, balance lipids, and improve energy levels naturally. It's a gentle, plant-powered approach to overall wellness.

Multi-herbal formula crafted to gently support cardio-metabolic wellness—without stimulants or chemical overload.

- FitDoc Powder brings together time-tested Ayurvedic herbs to support heart health, stamina, and fat metabolism—ideal for those with sedentary lifestyles or early lifestyle imbalances.

## WellRoot DigiDoc Powder

*Digestive support, reimagined*

This herbal digestive powder combines the wisdom of Ayurveda with ingredients like cumin, fennel, black salt, and ginger to naturally restore digestive balance and relieve discomfort.

A complete Ayurvedic digestive support formula with 15+ time-tested herbs, free from synthetic additives—ideal for post-meal comfort and daily gut health.

- A potent blend of traditional herbs like Triphala, Black Salt, Jeera, and Asafoetida known to ease digestion, reduce bloating, and support gut detox. Promotes healthy bowel movement, strengthens the digestive system, and aids in nutrient absorption.

# WellRoot SpiraDoc Tablet

*Spirulina-powered metabolic booster*

Each Tablet delivers 500 mg of pure spirulina extract—helping your body thrive with natural proteins, essential micronutrients, and powerful antioxidants.

- A nutrient-dense blue-green algae rich in protein, antioxidants, B vitamins, and essential minerals. Supports energy production, immune function, and detoxification while promoting muscle recovery and cellular health.

Spirulina is considered a “superfood” due to its complete protein profile and antioxidant richness—perfect for vegetarians, fitness enthusiasts, or those with nutritional gaps.

# WellRoot MassDoc Powder

*Support strength and healthy weight gain*

A scientifically balanced mass gainer with protein, vitamins, minerals, and energy-rich nutrients—ideal for underweight individuals, athletes, and those in recovery.

Nutraceutical gainer with clean-label ingredients—no hormonal stimulants, just targeted, bioavailable nutrition for balanced growth.

- Formulated with 27.9% protein, complex carbs, and 25+ essential vitamins & minerals to support healthy weight gain and strength
- Rich in B-complex, Calcium, Iron, and natural enzymes for better absorption and metabolic support
- Designed for individuals with low appetite, fast metabolism, or recovery needs

# Kids Nutrition

Children need a constant supply of quality nutrients to support growth, brain development, and immunity. Picky eating or unbalanced meals can lead to deficiencies.

Essential nutrients include proteins, calcium, omega-3s, and multivitamins tailored to their age and growth needs.

## What should I consume?

Balanced meals with whole grains, vegetables, fruits, dairy, and child-friendly supplements like protein powders, height boosters, and DHA-rich blends.

### Products covered :

Little Pie Kids Protein | Heightdoc Powder

# WellRoot Little Pie Kids Protein

*Wholesome protein for growing kids*

Made for children between 4–12 years, this supplement delivers key nutrients that often go missing from everyday meals. It helps bridge nutritional gaps while delighting kids with its taste.

A fun, chocolate-flavored protein shake enriched with 13+ micronutrients, probiotics, and DHA—made to nourish little bodies and sharp minds naturally.

- A delicious chocolate-flavored blend designed to support your child's daily growth, energy, and immunity. Packed with whey protein, DHA, calcium, iron, and probiotics—this is more than just a tasty drink.  
Supports brain development, physical strength, digestion, and bone health in growing children.

# WellRoot HeightDoc Powder

*Support natural growth with care*

A delicious, protein-rich meal replacement or supplement powered with vitamins, minerals, and metabolic enhancers to fuel fat metabolism and keep you feeling fuller, longer.

Fuses classical Ayurvedic growth herbs with 18+ nutrients for holistic height support and physical development in teens and young adults.

- A scientifically curated formula powered by Ashwagandha, Bala, Shatavari, Arjuna, Shilajit, and essential vitamins and minerals to support bone growth, strength, and hormonal balance. Encourages skeletal development, boosts growth potential, and improves bone density in adolescents and young adults.

# Women Wellness

Women's nutritional needs change across life stages — from puberty to pregnancy to menopause. Hormonal balance, bone health, and energy regulation are key priorities.

Herbs like Shatavari, Ashoka and Ashwagandha, along with Iron, Folic Acid and Calcium, play crucial roles.

## What should I consume?

Iron-rich foods, whole grains, leafy vegetables, and women-specific wellness blends that support hormonal and bone health.

### Products covered :

Women Wellness Tablet

# WellRoot Women Wellness Tablet

*Wellness designed for her*

A daily-use multivitamin and multimineral tablet tailored to support the unique health needs of women, from hormonal balance to bone strength and iron support.

Combines 4 critical nutrients (Folic Acid, Vitamin D, Iron & Calcium) in a single daily tablet for all-round support to female health, energy, and wellness.

- A comprehensive health supplement powered by Folic Acid, Vitamin D, Iron, and Calcium, crafted to meet the daily nutritional needs of women. It supports energy levels, bone health, hormonal balance, and overall vitality. Promotes hormonal wellness, strengthens bones, prevents iron deficiency, and enhances daily energy for women across all life stages.

# Detox & Digestion

Digestive health is the gateway to total well-being. A sluggish gut can affect energy, skin, immunity, and mood. Toxins, poor diet, and irregular meals affect your body's ability to absorb nutrients.

Fiber, enzymes, probiotics, and herbal cleansers support better gut balance and daily detox.

## What should I consume?

Go for fennel, flaxseed, triphala, ajwain, and bitter herbs. Detox powders and fiber blends keep your gut and liver clean and active.

### Products covered :

Fenneldoc Drop | Fenugreek Tablet | Eco Arogyam Fiber | Wakecha Lemon Lime

## WellRoot FennelDoc Drop

*Digestive ease with every dose*

A daily-use digestive support drop made with fennel extract and safe preservatives, designed to be taken directly or diluted with water. Supports gut wellness, especially in cases of gas, indigestion, and heaviness after meals.

- A gentle yet effective formulation enriched with Fennel extract (*Foeniculum vulgare*), known in Ayurveda and modern science for aiding digestion, reducing bloating, and relieving gastric discomfort. Helps regulate digestion, calms the gut, and promotes better nutrient absorption—ideal for all age groups.

Combines traditional fennel extract with a stable liquid formula, making it easy to consume and fast-acting for digestive relief—perfect for everyday wellness.

## WellRoot Fenugreek Extract

*Metabolism meets hormone balance*

A concentrated 500 mg Fenugreek extract tablet designed to support healthy blood sugar levels, digestion, and metabolic function in a natural, plant-based format.

- Promotes healthy glucose metabolism and insulin sensitivity
- Supports digestive enzyme activity and gut balance
- Helps manage appetite and lipid metabolism
- Traditionally used to support lactation and reduce inflammation

Delivers a high-potency herbal dose of Fenugreek to aid sugar control and digestive efficiency, ideal for those seeking natural metabolic balance and gut support.

## Active Fibre Complex

*Fibre that fuels better digestion*

A tasty orange-flavored fiber blend combining soluble & insoluble fibers with gut-friendly botanicals like Fennel, Ginger, Amla & Psyllium, designed to ease digestion and promote daily wellness.

Formulated with eco-digestive herbs and fiber-rich superfoods, this blend not only supports smoother digestion but also improves nutrient absorption and metabolic health.

- Supports regular bowel activity and colon cleansing
- Feeds beneficial gut bacteria for better digestion
- Helps manage occasional bloating and acidity
- Assists in weight management and satiety

## Wellroot Naturfit Wakecha

*Wake up your gut the lemon way*

A zesty and refreshing caffeinated energy drink mix with zero sugar, WAKECHA is your ideal pick-me-up during work, workouts, or study sessions. Infused with tea extract, maltodextrin, and sucralose, it delivers energy without weighing you down.

Combines Orange Pekoe Tea Extract + 30ppm Natural Caffeine in a sugar-free formulation for sustained energy, alertness, and hydration—ideal for active individuals and students.

- A vibrant, lemon-lime flavored energy drink mix powered by Orange Pekoe extract and natural caffeine (30ppm), designed to uplift your energy, alertness, and focus—without added calories. Promotes mental clarity, reduces fatigue, and recharges stamina through a clean and refreshing herbal tea base.

# Juices & Functional Beverages

Functional juices do more than hydrate — they heal. These blends deliver concentrated nutrients from herbs, fruits and botanicals that support immunity, digestion and energy.

They are especially helpful for people who struggle with pills or have absorption issues.

## What should I consume?

Choose blends with Giloy, Amla, Noni, Seabuckthorn, or berry extracts. Ideal for on-the-go wellness with no synthetic additives or sugar.

### Products covered :

Berrydoc Juice | Seabuckdoc Juice | Shots 30

# WellRoot BerryDOC Juice

*Antioxidant-Rich Wellness with a Berry Boost*

A 1000 mL berry-based nutraceutical drink, crafted with the essence of real fruits and botanical extracts to promote immunity, enhance metabolism, and provide antioxidant defense. Ideal for daily nourishment and long-term vitality.

A multi-berry juice enriched with natural Vitamin C, A, and antioxidants—free from synthetic additives. Promotes heart health, detox, and skin glow through earth-derived ingredients, not synthetic formulas.

- A vibrant blend of real berries like Blueberry, Blackcurrant, Raspberry, and Amla, packed with natural antioxidants, Vitamin C, and Vitamin A—designed to support immunity, heart health, and daily well-being. Boosts antioxidant protection, supports digestion, and contributes to glowing skin and vitality—naturally and deliciously.

## WellRoot SeabuckDOC Juice

*Seabuckthorn's power in every sip*

This 500 mL daily-use nutraceutical juice delivers the complete nutrition of sea buckthorn, known for its rich antioxidant profile and essential fatty acids. A perfect natural solution for internal vitality and external glow.

Delivers natural Omega 3-6-7-9 + Vitamins C & E in one powerful shot—supporting everything from immunity to skin repair using just fruit-derived nutrients with no synthetic additives.

- A potent botanical blend featuring Sea Buckthorn Pulp, naturally rich in Vitamin C, Vitamin E, and Omega Fatty Acids (3, 6, 7, 9) to support immune health, radiant skin, and overall wellbeing. Promotes healthy blood circulation, strengthens skin barrier, and boosts immunity with nature's superfruit.

# WellRoot Shots More

*Tiny shots, mighty health benefits*

This 30 mL ready-to-drink wellness shot is crafted for active, health-conscious individuals. With a rich blend of super antioxidants and herbs like Green Tea, Coffee Bean, Tulsi, Amla, Brahmi, Beetroot, Aloe Vera, and more, it energizes, strengthens, and rejuvenates—naturally and effectively.

Infuses 30+ clinically relevant nutrients—including rare antioxidants like Astaxanthin & Resveratrol—into one delicious, convenient shot.

- A potent, sugar-free antioxidant booster powered by Astaxanthin, L-Glutathione, Lycopene, Resveratrol, Aloe Vera, and 25+ botanicals & vitamins that help combat oxidative stress, detoxify the body, and support immunity and skin health.  
Promotes cellular repair, boosts vitality, and protects against daily damage from free radicals.

# WellRoot Kesar Elaichi Milk Mate

*Traditional taste, modern wellness*

This rich, milk-based nutraceutical drink combines ancient Ayurvedic ingredients with modern science to deliver daily nourishment. It includes Curcumin for inflammation, Kesar for rejuvenation, and Bioperine for enhanced bioavailability, making it ideal for adults and elders seeking traditional wellness in a modern format.

Blends traditional Indian spices with functional actives like Curcumin & Bioperine®, in a tasty, low-sugar saffron-cardamom milk mix—ideal for immunity, recovery and energy without added calories.

- A comforting daily wellness drink enriched with Curcumin Extract, Kesar (Saffron), Elaichi (Cardamom), and Bioperine® for improved immunity, digestion, and antioxidant support. Promotes vitality, boosts absorption of nutrients, and supports overall well-being in a delicious saffron-cardamom flavored milk mix.

# Energy & Performance

Energy isn't just about caffeine — it's about cellular vitality. True stamina depends on nutrient availability, oxygen circulation, and hormonal balance.

Natural boosters like Shilajit, Ginseng, Safed Musli, and B12 can enhance endurance and strength.

## What should I consume?

Support active living with adaptogens, performance Tablets, and protein-rich functional blends tailored to your workout and recovery needs.

### Products covered :

Testofast Tablet | Moridoc Tablet

## WellRoot Moridoc Tablet

*Endurance meets cardiac care*

Packed with the wholesome benefits of Moringa oleifera, this daily-use Tablet provides complete plant nutrition for enhanced stamina, immunity, and digestive health. A perfect choice for wellness-conscious individuals who want clean, green nutrition without added synthetics.

Combines Moringa leaf and seed for a dual-action nutrient profile, offering antioxidant defense, protein support, and essential micronutrients in a vegetarian Tablet—free from artificial additives

- A natural supplement formulated with Moringa Leaf Extract and Moringa Seed Powder, known for their rich content of vitamins, minerals, antioxidants, and amino acids that support energy, immunity, and metabolism.  
Improves nutrient absorption, supports detoxification, and promotes daily vitality—ideal for those seeking a plant-based superfood boost.

## WellRoot TestoFAST

*Power up strength & stamina*

A premium men's health supplement featuring Ginseng, Musli, Ashwagandha, Gokshura, Safron, and more—formulated to elevate testosterone function, strength, and performance.

Powered by 9 synergistic herbs, TestoFAST supports vitality, hormonal balance, and peak male performance—making it a trusted formula for energy, strength and confidence.

- Promotes healthy testosterone levels naturally
- Enhances stamina, energy and workout performance
- Supports libido and reproductive health
- Reduces stress and supports hormonal balance

# Your Body's Daily Needs vs What You Get

## Let's Break It Down:

Nutrient	Why You Need It	Daily Requirement*	Average Intake**
Protein	Builds muscles, tissues, immunity	50g–70g	~35g
Vitamins	Boosts energy, skin, immunity	Varies by type	Inadequate in 60%
